Professional Designations:

Faculty advisors can assist students in completing all or most of the educational requirements for the following CCIM, MAI, CIPS, CPM and/or FIABCI designations as well as the educational preparation required to take the state of Colorado Real Estate Broker's and Colorado Appraiser's License exams.

Certified Commercial Investment Member (CCIM)

The CCIM designation is for individuals in the commercial brokerage field. Designees will complete specified CCIM courses and must have a strong work history as a commercial broker.

(FIABCI)

This is an international certification awarded by the FIABCI organization headquartered in Paris, France. Requirements include completion of specified course work and a portfolio of international real estate transactions.

Member Appraisal Institute Professional Designation (MAI)

The Franklin L. Burns School of Real Estate and Construction Management is one of the few schools in the nation with an approved master's degree curriculum satisfying the educational requirements for the Appraisal Institute's MAI professional designation. As a professional organization of real estate appraisers, the Appraisal Institute awards the professional designations SRA and MAI for residential and commercial real estate appraisal. These designations are highly respected by the real estate and financial business communities and by the general public. Visit www.appraisalinstitute.org for more information.

Certified Property Manager (CPM)

The CPM designation is for individuals in the property management field. The Institute of Real Estate Management (IREM) awards this professional designation www.irem.org.

Additional Information:

¹ Required coursework for the MAI professional designation. Students will also need to choose either the NAIOP Challenge or one of the Real Estate Topics courses (REAL 4700) to satisfy the MAI educational requirements.

² Students choose CMGT 4401, 4402 & 4403 or CMGT 4300, 4301 & 4302.

³ Recommended coursework for those interested in Sustainable Development.

For detailed academic policy information, refer to Graduate Student Handbook. An overall GPA of 3.0 is required for graduation. Electives must be graduate (4000-level) courses.

Program requirements are subject to change without notice.
