Total Credits for BSBA-Management			185**		

* Students who pass a foreign language equivalency exam may apply these credits toward electives.
 ** All Business students entering DU in Fall 2006 and thereafter must fulfill an international DU experience before they can graduate. (See pg. 2)

Additional Information:

- Elective credits may be applied toward a minor within or outside Daniels (other than general business minor), a second major, or fulfilled through course work from any campus unit(s) with the exception of Women's College.
- Based upon departmental and University approval students may transfer a maximum of 20 credit hours from other institutions, including schools attended through the DU study abroad program, toward the Daniels Core and undergraduate Business Core. A minimum of 24 hours toward the major and 10 hours toward any business minor must be completed at the University of Denver.
- Only grades of "C-" or above may be used in completing Daniels Core, Business Core, major or minor requirements.
- A minimum average GPA of 2.0 ("C") is required for all major course work, all business course work, and the overall cumulative GPA.

The focus of the management major at DU is on effective management of people - the most important resource in business. Students have the opportunity to study such areas as human resource management, organizational behavior, ethics, business planning, organizational communication systems, and problem identification and diagnosis. The integration of theory with practical applications ensures that the techniques learned today will be useful in the future as well. Career opportunities exist in consulting, general supervision and management, management of family businesses, and entrepreneurial endeavors.

International Experience

Business students must be prepared to interact with persons from other cultures and to manage in circumstances where business practices and social conventions are different from the graduate's native country. To meet this requirement, all students entering Fall 2006 or thereafter must fulfill an international experience before they can graduate as a business major. International students meet this requirement by virtue of studying at DU.

Students may meet the international experience through at least one of the following ways:

1. Participate in the Cherrington Global Scholars Program.
2. Take one of the approved courses listed below.

Approved International Experience Courses:
