Additional Information:

* Accounting students are urged to take the required Edge weekend for BUS 4615 as early in the quarter as possible to avoid conflicts with other Accounting events.

**Minimum credits are based on students completing both degrees at the University of Denver through a recognized undergraduate/graduate dual degree program. Additionally, Daniels BSBA or BSAcc students may be required to complete additional credits if a B or better was not received in corresponding undergraduate courses for the following graduate courses: MBA 4610 and STAT 4610. Please see an undergraduate or graduate business advisor for questions regarding individual degree requirements.

For detailed academic policy information, refer to Graduate Student Handbook. An overall GPA of 3.0 is required for graduation. Electives must be graduate (4000-level) courses.
