

“Start where you are now!”

Chris Gardner, Author of
The Pursuit of Happyness

*“The pessimist sees difficulty
in every opportunity.*

*The optimist sees the opportunity
in every difficulty.”*

By Winston Churchill

Without a plan, a dream is just a dream

- ▶ **Write a business plan**
- ▶ **Find a “Consultant” or two**

The Cavalry Ain't Coming!

- Forget the Federal Government “fixing” things...
- Your managing Broker can't save you either...

Who is your sphere of Influence?

- **Who cares about you?**
- **Who will help you? Call them!**

Be a Go-Giver

Find someone that *you* can help,
and help them now...

As much as you need help,
someone you know needs your help
just as much as *you*
