¹Students should NOT take the following classes at the undergraduate level as they are part of the required courses at the graduate level. These courses should be replaced with other 3000-level business courses, if additional undergraduate credits are needed to achieve the 186 undergraduate hours.

ACTG 3284	Consolidated Financial Statements	2
ACTG 3285	Accounting for Foreign Operations	2
ACTG 3462	Corporate & Partnership Taxation	4

Note: Daniels BSBA or BSAcc students please see a “Dual BSAcc/MAcc” advisor for questions regarding individual degree requirements. For detailed academic policy information, refer to Graduate Student Handbook. An overall GPA of 3.0 and an accounting GPA of 3.0 is required for graduation. Electives must be graduate (4000-level) courses.
