### Prerequisite Courses

1. Preceding courses must be completed with grades of C- or above. Students may receive credit for BUS 3000 or ACTG 3069 in lieu of ACTG 4281 or ACTG 4282.

### Accounting Core Required Courses

1. Preceding courses must be completed with grades of C- or above.

### Accounting Electives

2. Students should consult with an academic advisor to design a custom degree plan. Students may choose a specialization in Assurance, Valuation, AIS & Data Analytics, or Tax; or they may choose a sampling across accounting disciplines.

### Accounting or Other Business Electives

3. Students may choose 16 additional elective credit hours from the accounting courses above or from other programs in the Daniels College of Business or the Graduate Tax Program.

### Total Credits for MAcc

4. Students may demonstrate competency in the 7 prerequisite courses in the following manner:

   - Students with an undergraduate degree in accounting from an AACSB school: Earned a B- or better in the ACTG courses or by passing an on-campus exam; Earned a passing grade in Introductory Finance, Introductory Statistics, and Business, Accounting or Technical Communications or by passing an on-campus exam.
   - Students with a non-accounting (or non-AACSB accounting) undergraduate degree: Passing an on-campus exam for the ACTG courses; Earned a passing grade in Introductory Finance, Introductory Statistics, and Business, Accounting or Technical Communications or by passing an on-campus exam.

4. Students may demonstrate competency in the 7 prerequisite courses in the following manner:

   - Students with an undergraduate degree in accounting from an AACSB school: Earned a B- or better in the ACTG courses or by passing an on-campus exam; Earned a passing grade in Introductory Finance, Introductory Statistics, and Business, Accounting or Technical Communications or by passing an on-campus exam.
   - Students with a non-accounting (or non-AACSB accounting) undergraduate degree: Passing an on-campus exam for the ACTG courses; Earned a passing grade in Introductory Finance, Introductory Statistics, and Business, Accounting or Technical Communications or by passing an on-campus exam.

5. The Business, Accounting or Technical Communication course must be taught in English. Course may be satisfied with BUS 3000 or ACTG 3069.

6. For detailed academic policy information, refer to Graduate Student Handbook. An overall GPA of 3.0 and an accounting GPA of 3.0 are required for graduation. Electives must be graduate (4XXX-level) courses.

Program requirements are subject to change without notice.
