Accounting Minor Course Requirements 2023 – 2024

The Accounting minor offers the opportunity to strengthen decision-making skills and master the challenges of an increasingly competitive work environment. Course work includes uses of accounting information for critical planning and control decisions, the role of Federal taxation in the decision process, and the interpretation and analysis of the published financial statements for investing and financing decisions. Focused on financial reporting from various perspectives, the Accounting minor will enhance both managerial and analytical skills.

Classes are not offered every quarter. Please contact Erin Geering for quarterly availability.
