---	------------

This document is an advising guide; it is not a substitute for meeting with an advisor. Students need to meet with their advisor quarterly. The final responsibility for completing graduation requirements rests with the student. Program requirements are subject to change without notice.

Admission to Daniels

There are three possible admission routes into Daniels:

1. **Direct admission** upon application to the University of Denver, based on indication of business interest on application and overall strength of application credentials as determined by the Office of Undergraduate Admission. Transfer students are evaluated on incoming transfer credits, GPA, and submission of a professional resume.
2. **Fast track** admission upon completing two quarters as a full-time student at DU (minimum 12 GPA-bearing credit hours per quarter), with a 3.5 cumulative GPA or higher, including successful completion of MATH 1200 or 1951. International students matriculating from the ELC must have 12 hours of non-ENGG coursework in each of two separate quarters for consideration towards Fast Track eligibility.
3. **Pre-business Pathway** completion of the following classes and requirements: MATH 1200/1951, BUS 1440, INFO 1010, INFO 1020, ECON 1020, BUS 1099, and Microsoft Excel, Word, and PowerPoint certifications. A 2.5 minimum cumulative GPA is required to apply. Completion of these requirements does not guarantee admission.

Daniels Co-Curricular Requirements

- Microsoft Certification (MOS) requires standard levels of proficiency in the most recent version of Excel, Word, and PowerPoint; it is a DCB application requirement and a graduation requirement.
- The Daniels Professional Development Program prepares students to achieve success in their professional careers. Students take BUS 1099, BUS 2099, and BUS 3099 as 0 credit courses to complete these requirements.
- Students will be required to take assessment exams to show mastery of key learning outcomes and retention of course content within the business core. The following courses will be assessed: ACTG 2200, ACTG 2300, BUS 1440, BUS 3000, FIN 2800, INFO 1010, INFO 1020, INFO 2020, LGST 2000, MGMT 2100, MGMT 3000, and MKTG 2800.
- Management majors fulfill the Daniels International Experience requirement through registration for MGMT 2420.
 - Students who study abroad are required to take INTZ 2501 (2 credits) up to one year prior to going abroad.

Daniels and University Policies

- Only grades of "C-" or above may be used in completing all courses taken within Daniels, and ECON 1020, and MATH 1200/1951.
- Repeated courses count towards GPA calculation, unless students apply for a grade replacement.
- A course in which a student earns a D- or higher only counts towards overall credit hours once.
- A minimum GPA of 2.0 is required for all major coursework, all business coursework, and overall cumulative GPA in order to graduate.
- Elective credits may be applied toward a minor within or outside Daniels, a second major, or fulfilled through coursework from any campus unit(s) with the exception of University College. To create a well-rounded academic experience, students are strongly encouraged to take elective hours outside of the Daniels College of Business.
- At least 50% of required business courses must be completed at Daniels.
- Students may earn a maximum of 10 hours of independent study, and a maximum of 10 hours of internship credit.

Additional Advising Information

- All advising and PIN deletion for business majors past the first year is through Daniels Undergraduate Programs, located in Margery Reed Hall. Visit the Canvas page (Canvas.du.edu) for more information about the curriculum (including course titles and descriptions) and ways to be involved and engaged as an undergraduate business student.
- For specific faculty questions, visit the Management department in Daniels College of Business 455.
