MBA@Denver courses require both synchronous and asynchronous work. Synchronous work refers to the weekly live-sessions that accompany MBA@Denver courses.

Each course requires a 90-minute live session each week, affording students the unique opportunity to interact with each other and the instructor in real time.

Asynchronous work refers to the self-paced coursework that students complete on their own.

This 60-credit, online program can be completed in as few as 21 months. Participation in two Immersions is required for graduation.

^a Global Business is split into two 2-credit components.

Please note: This course sequence is subject to change.

MBA@Denver courses require both synchronous and asynchronous work. Synchronous work refers to the weekly live sessions that accompany MBA@Denver courses.

Each course requires a 90-minute live session each week, affording students the unique opportunity to interact with each other and the instructor in real time.

Asynchronous work refers to the self-paced coursework that students complete on their own.

Students are able to take classes at their own pace and can choose to pursue the General MBA track instead of choosing a concentration.

This 60-credit online program can be completed in as few as 21 months. Participation in two Immersions is required for graduation.

Current concentration options available online are: Finance, Marketing, Executive Healthcare Administration and Executive Leadership. The Accounting, Business Analytics, and Real Estate & the Built Environment concentrations are currently only available to those students who can take on-campus courses. Students also have the option to complete a customized (self-designed) concentration.

Students pursuing a Finance concentration should start their concentration courses immediately after completing FIN 4630. Contact an advisor for more information.

This course sequence pertains to students who are taking two classes per quarter and who are also pursuing a concentration.

^a Global Business is split into two 2-credit components.
